Summer Season review feedback – feedback was positive with a good suggestion about a timekeeping roster system for club nights.

Put out an appeal for everyone to bring in their shields with the last chance being on Thursday 6th April to hand into Kim at squad training. Those that don't bring in their shields in time will be given their plaque and they will need to glue onto their shields themselves.

Meeting dates – Andrew will send out an email to everyone to complete a form regarding their availability for meetings.

Winter Swim Club – Club dates to be put up on Taree Torpedoes website with the first night starting 26th April.

Short Course Meet at Taree – possible date discussed was 6th August. Only 5 lanes will be available. Entries will be limited to 120 – 130.

Annual Qualifying Meet - SNC applications for meets has been released. 3rd and 4th November.
