When all the swimmers are stationary the starter shall give the starting signal.

Any swimmer starting before the starting signal has been given, shall be disqualified. If the starting signal sounds before the disqualification is declared the race shall continue and the swimmer/swimmers disqualified at the completion of the race. If the disqualification is declared before the starting signal, the signal shall not be given. Swimmers will be asked to stand down and then be recalled for the start of the race. Swimmers must finish in the lane the lane in which they start, and remain in the water in their respective lanes at the finish of the event. On the signal from the referee swimmers are to leave the pool from either side.

In an individual medley event the sequence of strokes is Butterfly, Backstroke, Breaststroke and Freestyle. In a Medley relay the sequence of strokes is Backstroke, Breaststroke, Butterfly and Freestyle.

In 800 and 1500m events, lap counters will be displayed at the turning end of the pool to advise the number of laps completed, A warning whistle or a bell ring will be given when each swimmer has two (2) lengths plus five (5) metres of the course to finish.

Note; Because of the length of the program, “starting over the top” is used, swimmers from the preceding heat or event are to move to the side of the lane against the finishing wall, and remain still. Where the next race is backstroke the swimmers are to move down the lane rope towards the backstroke flags and remain still. When the next heat/event has started the swimmers should leave the pool by the sides as quickly as possible

Please note that the 800m and 1500m Freestyle, boys & girls may be run simultaneously
