Weekly Competition

The Club conducts a weekly "Point score Competition". The aim of this competition is to improve the speed and proficiency of all swimmers. Awards and trophies at the end of the year are based on an individual's improvement. Swimmers compete against **their own** previous best time.

The Point score Competition; will include all strokes and there will be overall place getters, regardless of age or distance. All swimmers will be awarded for their efforts throughout the season. Swimmers swim in each of the Point score Competitions at the distance that is relevant to their time.

SWIMMERS MUST BE IN ATTENDANCE FOR MARSHALLING BY 5:50 P.M. EACH WEEK, AS COMPETITION WILL START PROMPTLY AT ***6:00 P.M.***

Organisation of Weekly Competition

Parents/carers are required to assist with time keeping. To make our club successful, it takes participation by members, parents, carers and swimmers. **We need your assistance to make our club successful!!**

Swimmers Please Note:

- Upgrading will be made as soon as a swimmer meets the qualifying time for the next grade, as long as the stroke is done correctly. This is at the discretion of the referee.
- Points will be awarded in comparison with the swimmer's **best club time** (reset at the start of each season).
- Swimmers must be registered and financial members of the Club.

All Swimmers distance for their events will be aligned with times on *page 8.*

Swim Distances

Swimmers will need to achieve the appropriate qualifying times for each stroke to be able to progress to the next distance in that stroke..

Records

A record may only be attempted for **events already listed on the program**. Records will be accepted from Qualifying Club Nights at the MALC. Records will also be accepted and recorded from Taree Club Championships (where 3 timekeepers are available), and any sanctioned Meet held at Manning Aquatic Leisure Centre (this may include school, zone & regional meets)

As of Winter 2021 Short Course Records will be recorded for times set in the Manning Aquatic Leisure Centre 25m pool

Masters records commenced in the 2022-23 season both long course and short course in the following age groups, 18-30, 31-50, 51 and over, this may be adjusted at a later date

Correct Stroke

Those swimming 25 metres *will not* progress to 50 metres until the stroke is swum correctly (or in accordance with the referee). Rules are included at the back of this information book.

Record Keeping

All swim times for each swimmer will be recorded by computer.

Championship Program

Entries for the Taree Torpedoes Championships will be online. If any one has difficulty with online entries or to get their username and password contact Leanne Weiley. The Championship program is outlined on page **12.**

Championship Rules

Events will be graded and place getters will be taken on times swum in heats. **There will be no finals.** Age is taken on the first day of the Championship. Entries must be confined to a swimmers own age.

ELIGIBILITY: All financial members, provided they have swum at **at least 50% of point score nights from time of registration.** Incorrect stroking will be penalized by disqualification. **Time slips** will NOT be given to swimmers at the end of any swim. For a record, there must be **3 time keepers** & the swimmer must be o**f that age on the day** of that particular event.

Overall champion in each age group will be determined by the following point score taken **over all swims in the championship.**

Points are: *1st = 10, 2nd = 7, 3rd = 5,*
4th = 3, 5th = 2, 6th = 1

POINTSCORE RULES

- PB will start again at the start of each season
- All swimmers will commence a new season with zero points in each point score.
- Swimmers who fail to finish an event will be awarded no points
- Swimmers from previous seasons should begin at the level they swam last season.
